And now a word from our Editor:

Hello and welcome to this the very first issue of a new and pretty exciting publication, based on a rather fine television light entertainment cartoon show. Although I haven't actually seen the show for myself, I'm told it's jolly funny. Not being known as an funny chappie, I thought it would be highly amusing if I allowed the two young stars of the show to make an introduction. So, without further ado, ladies and gentlemen, kindly be upstanding as I give you those two smart and sophisticated men about town...

BEAVIS AND BUTT-HEAD

DUH NUH DUH DUH DUH DUNT DUH!

WHOA! Like, welcome to our comic or something, I'm, like, your hero Butt-head; and this butt muncher is Beavis.

Heh heh heh, you said 'come', heh heh heh.

Shut up, Beavis,

Oh yeah, heh heh heh.

It's pretty cool to be in your country, even though all your music sucks--

heh heh heh you said--

SHUT UP, BEAVIS, DON'T MAKE ME KICK YOUR ASS!

Yeah, England, near Canada, uhnn I think. Home of Big Ben, Nelson's Column and Black Paul's Tower!

Heh heh heh you said 'Big Ben' and 'Nelson's Column'. Heh heh heh.

Hey Beavis, huh huh huh. How big is Nelson's Column? D'you think he's related to like, uhnn, Big Ben?

Heh heh heh. Is everything in England like a different name for wainers?

Uhnn yeah, huh huh huh.

I think I'm gonna like it here, Butt-head. Heh heh heh.

Yeah, me too. Huh huh huh.

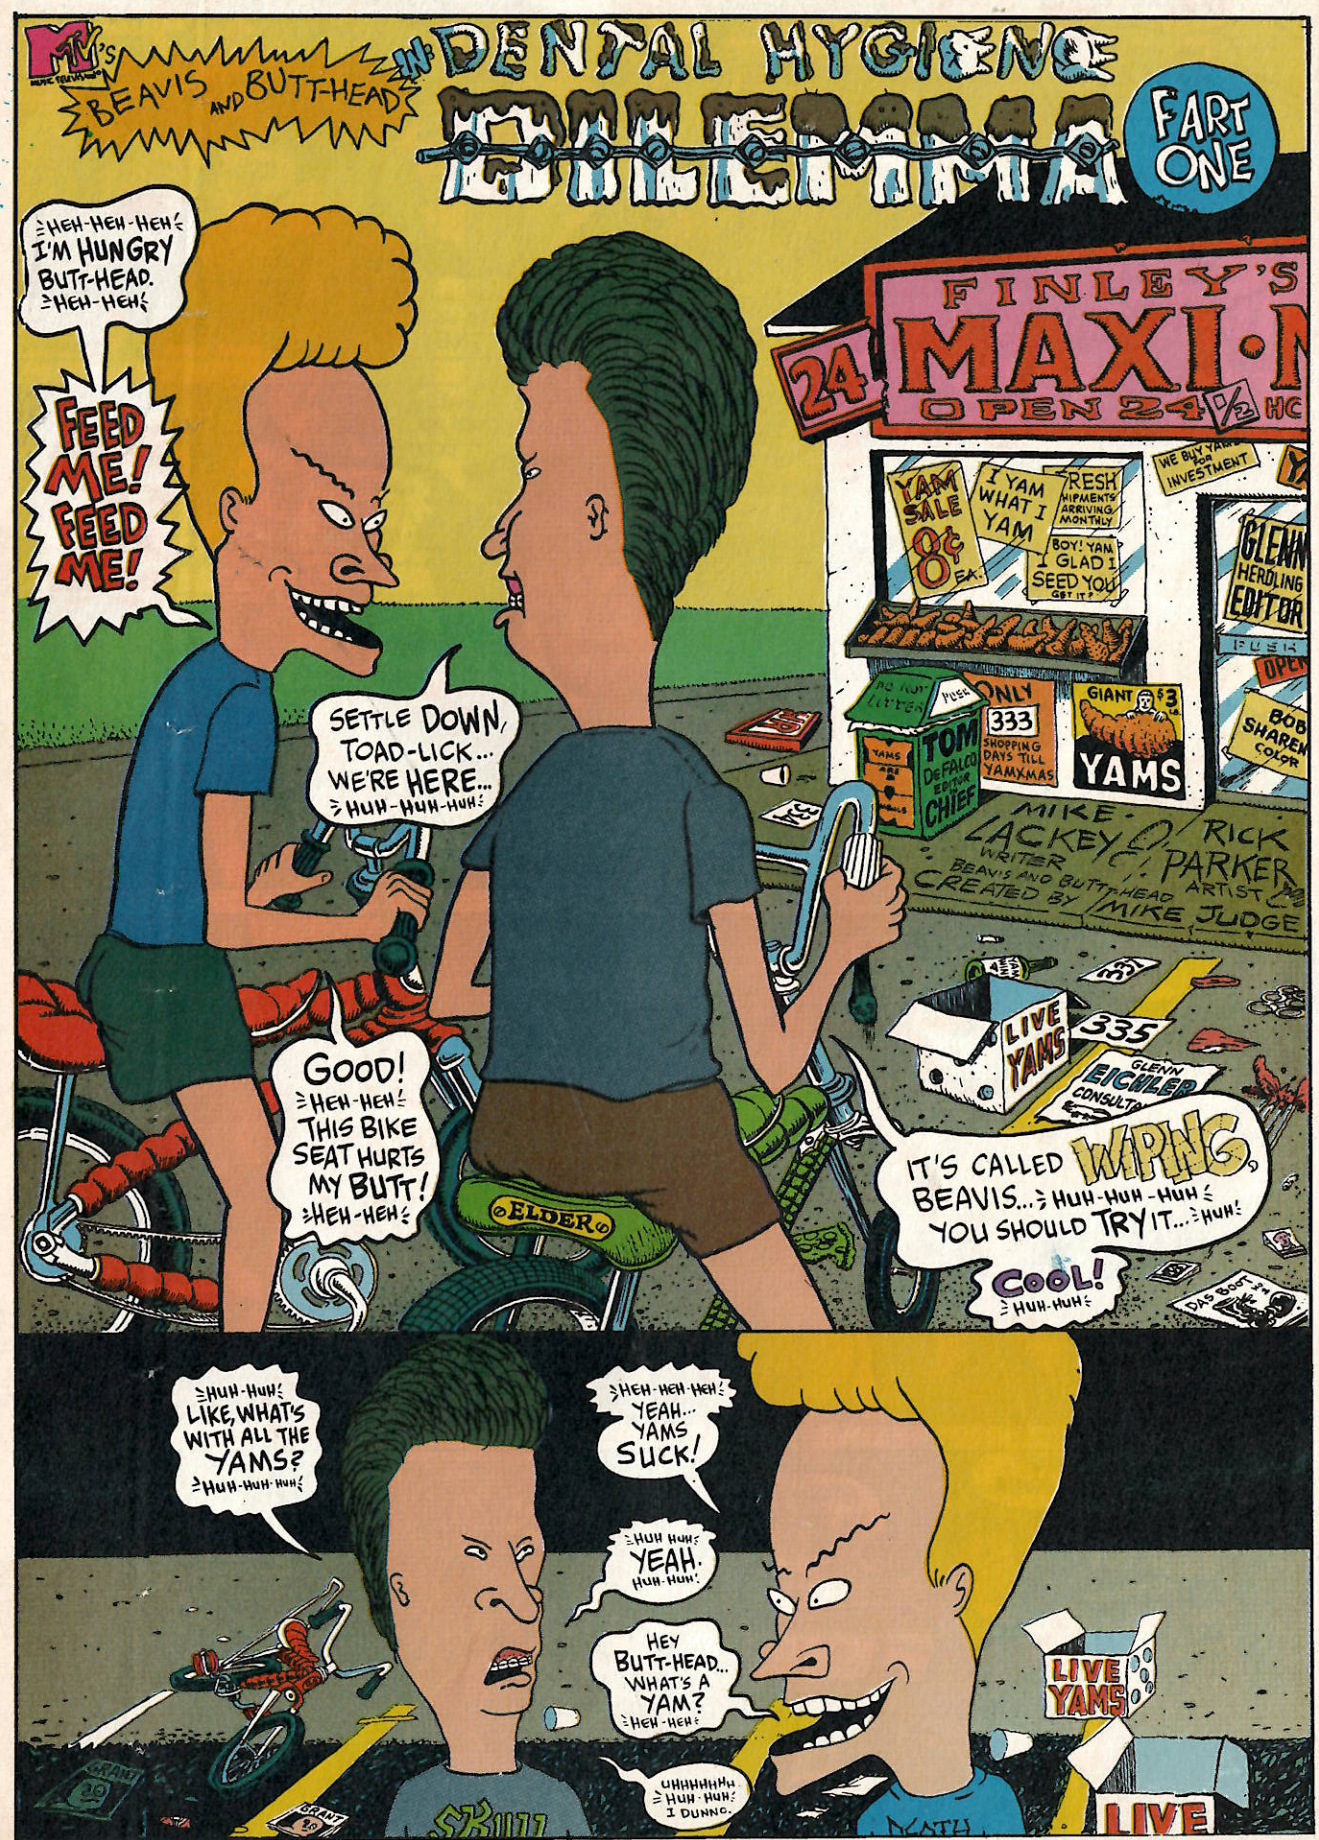

Heh heh heh! Huh huh huh!

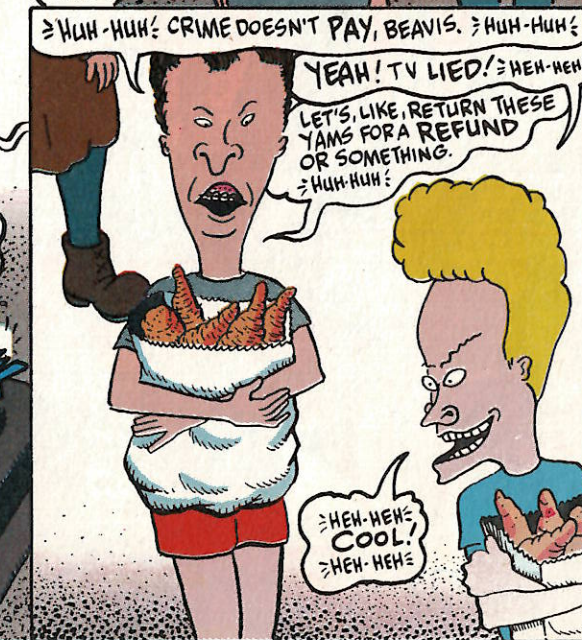

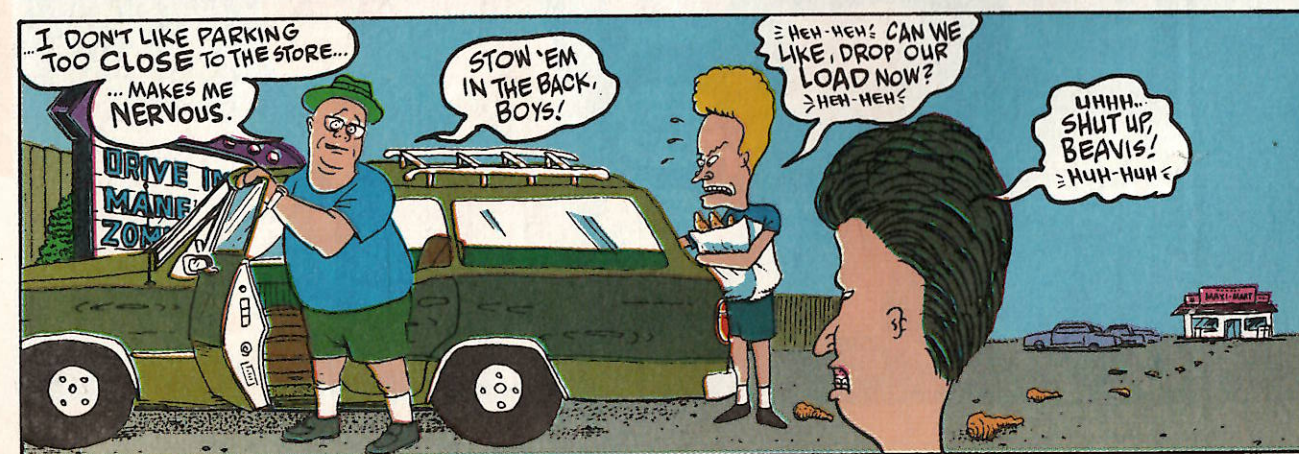

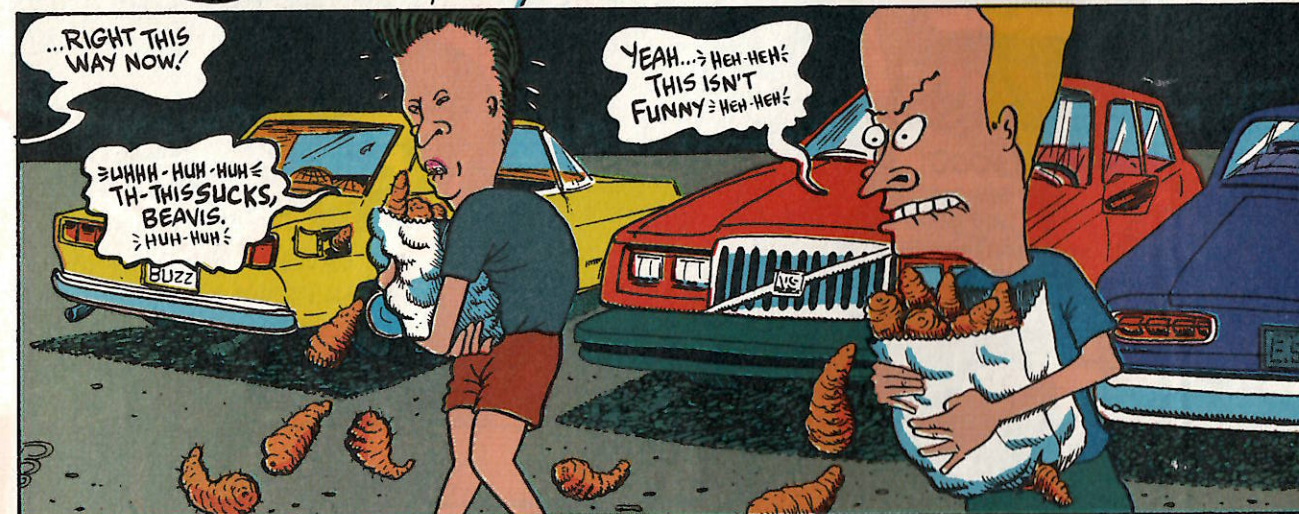

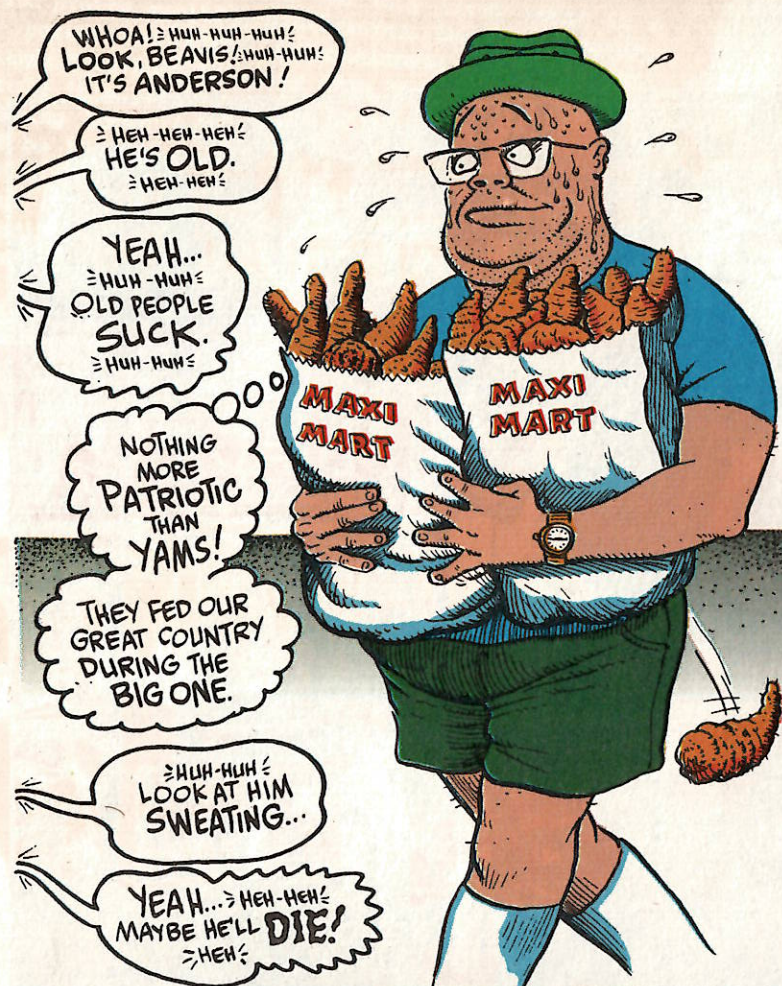

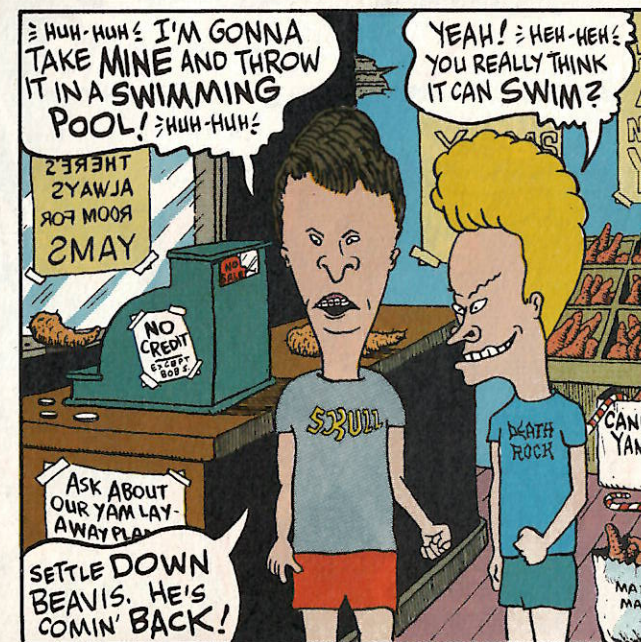

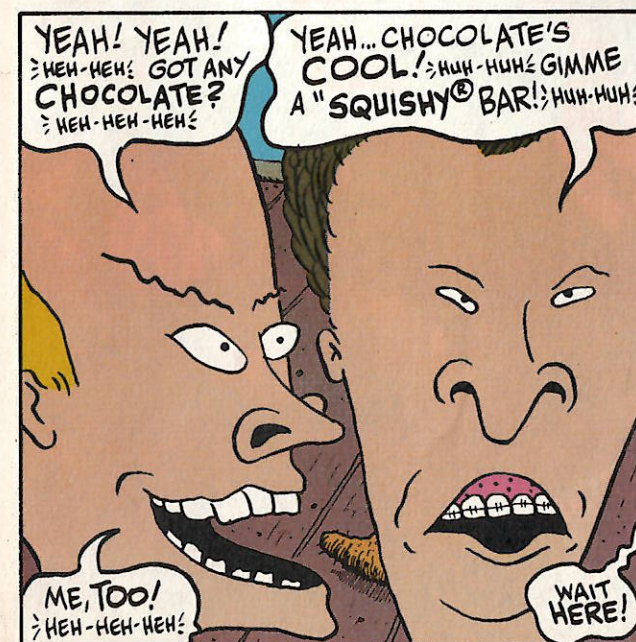

Beavis and Butt-head are not role models. They're not even human. They're cartoons. Some of the things they do would cause a real person to get hurt, expelled, arrested, possibly deported. To put it another way: Don't try this at home.

ARE YOU

EXPERIENCED?

Are you a super stud or a limp piece of lettuce? Do you woo the ladies at discos or just get booted? Have you ever wondered just how experienced you are? Well, now's your chance to find out how you measure up, by taking the incredibly simple multiple choice test. Just read the following questionnaire, then answer each question with either A, B or C. Then add up all your answers and find out how you scored. Nothing could be simpler, or more stupid.

1. Who was the last naked lady you saw?

- (a) Your mother.
- (b) Your next door neighbour, through the curtains.
- (c) A bather last summer at the beach through a telescope.

2. Have you ever french kissed?

- (a) Yes, myself against the bathroom mirror.
- (c) Sometimes when I kiss my grannie, she slips her tongue in.
- (b) Well, I once smeared my face in dog food and Fido licked me.

3. You're hanging with the home boys when you spy this really cool, sex goddess biker chick wearing skin tight leathers and a ripped t-shirt. You desperately want to ask her out. Do you?

- (b) Strut up to her really cool, and tell her you want to be her love slave.
- (c) Stutter so badly, you start foaming rabidly at the mouth.
- (a) Lose all control over your bladder and wet yourself?

4. Against all expectations she says yes, do you?

- (b) Burst out crying in absolute relief.
- (c) Lose control over your bladder again.
- (a) Suffer a massive pulmonary embolism and die.

5. You decide to take the girl of your dreams to the cinema, what film do you take her to?

- (a) The latest sicko horror nasty, with a number in the title. That way she'll lose her appetite and you won't have to share the pop corn, hot dogs and stuff with her.
- (c) A classic black and white, subtitled, French film double bill about fruit farming at the turn of the century, or something. Hopefully it'll be so boring she'll fall asleep and you can cop a cheap feel.
- (b) A triple helping of fat naked lady mud wrestling porno films in the belief it'll get her so hot, she'll want to wrestle, naked, with you.

6. You're standing in the queue outside the cinema, do you?

- (c) Offer to buy her ticket and make it clear that this entitles you to a serious session of face sucking.
- (b) Tell her to buy her own as you believe that we're all created equal. This way hopefully she'll be so impressed with your new man stance that she'll face suck you anyway.
- (a) Start crying uncontrollably and declare undying love. Then start making plans to get married. After all, this is the first lady to say yes.

7. At the cinema how soon do you wait until you cop a quick feelie?

- (c) In the queue to buy the tickets.
- (b) As soon as you're sat in your seats, and before she's taken her coat off.
- (a) You pretend to stretch and slip your arm behind her shoulders then spend the next 2 hours getting the courage to 'go further'. With your arm so numb it feels dead, you finally make your move just in time for the end of the movie.

8. She tells you in no uncertain terms that if you try anything else she will make you eat your hands. Do you think she's...?

- (b) Playing hard to get.
- (a) Telling the truth and apologise for your animalistic behaviour, and hope she'll forgive you.
- (c) Obviously mad. So you leave the cinema straight away, thanking the gods for your lucky escape.

9. To your utter horror she genuinely turns out "not to be that type of girl" by delivering a sharp kick to your monkey's playground, a deft straight finger jab to your eye sockets, and numerous power blows to the head and body. How do you explain away your injuries?

- (b) Tell everyone you've been mugged by 15 biker psychos.
- (a) Tell everyone what really happened in the hope for sympathy.
- (c) Stay in a dark room until you've healed.

10. What have you learned from this encounter?

- (a) That girls don't like being treated like sex objects.
- (c) She was obviously mad.
- (b) Nothing.

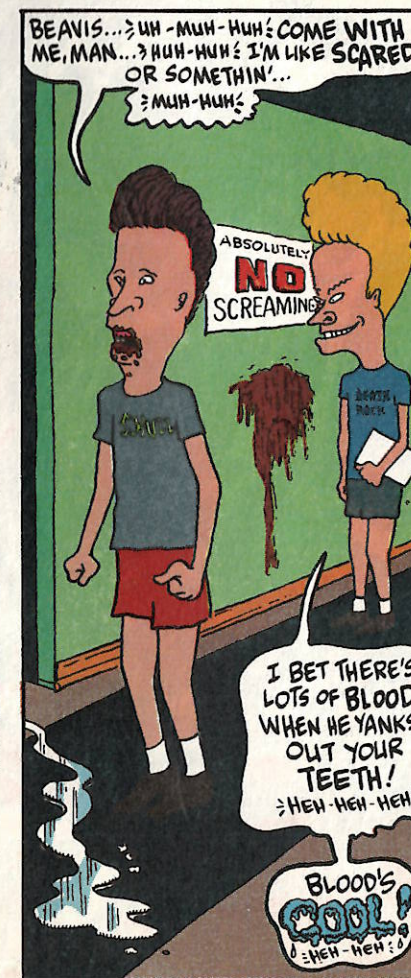

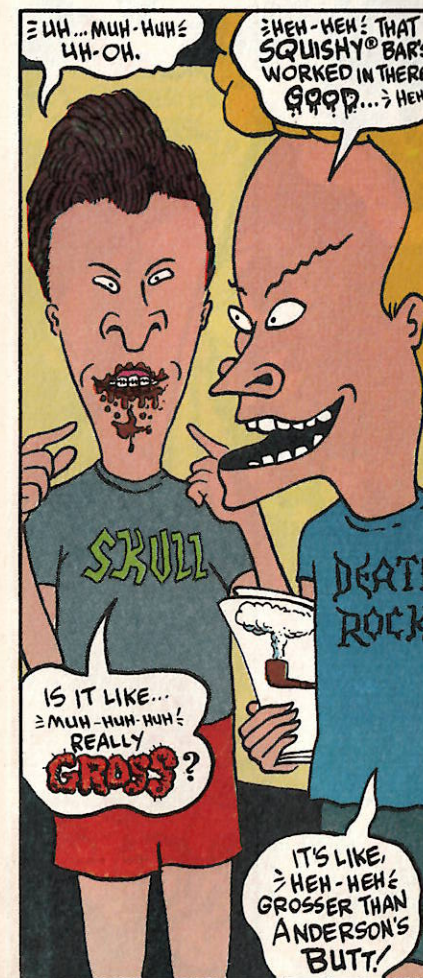

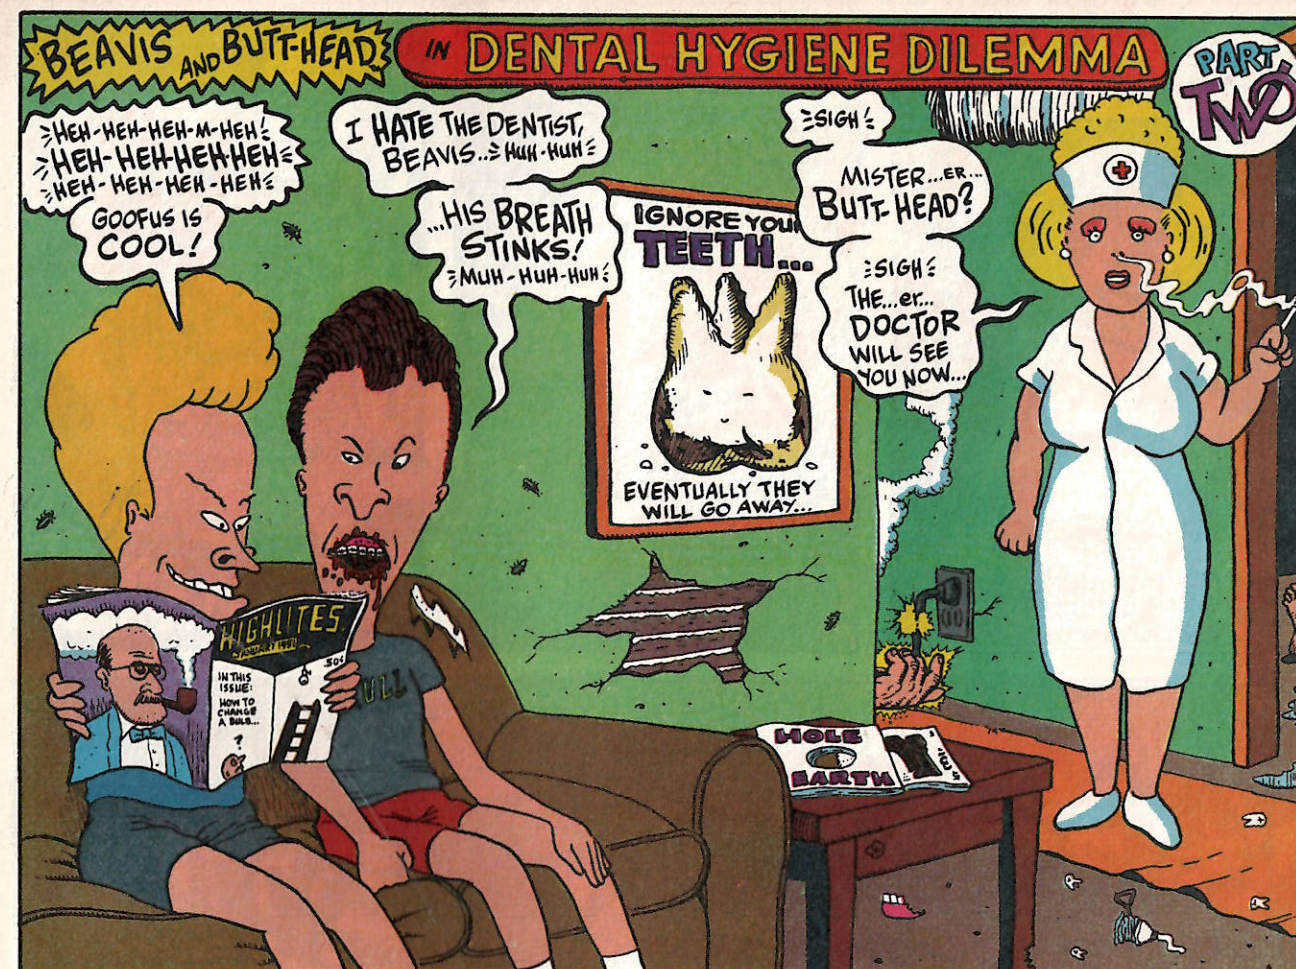

SO HOW EXPERIENCED ARE YOU?

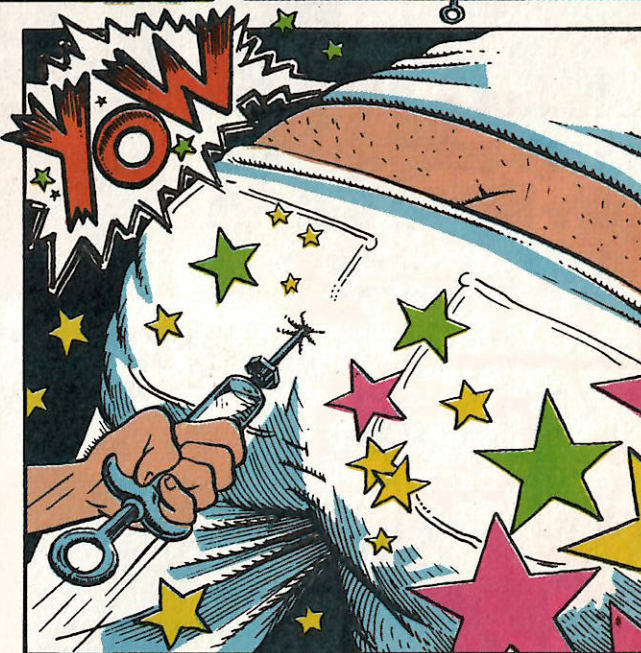

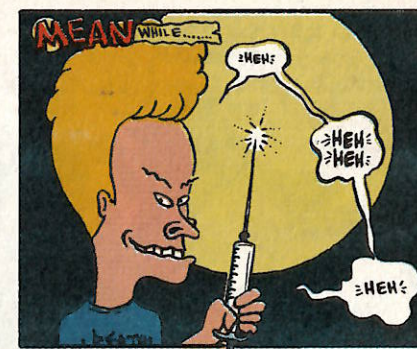

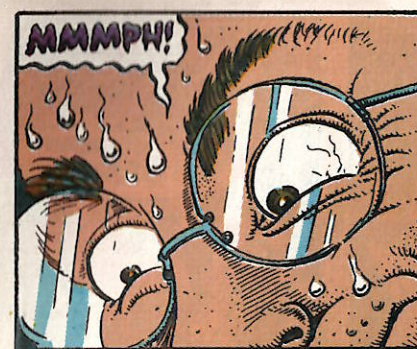

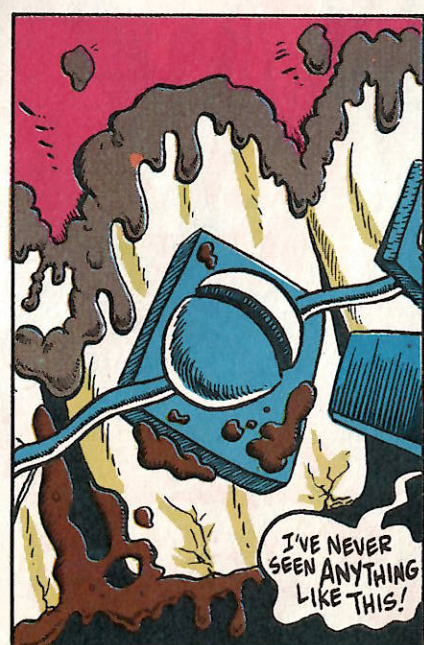

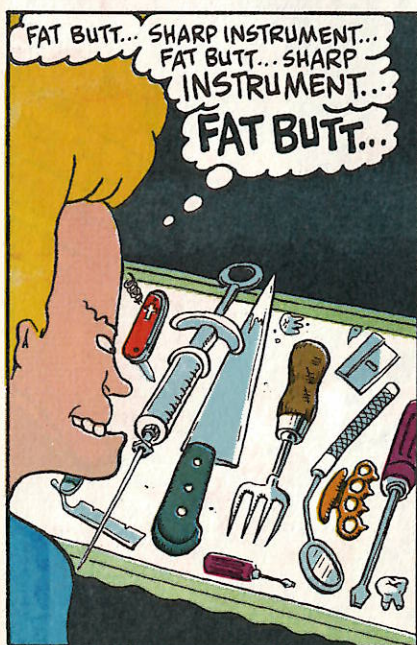

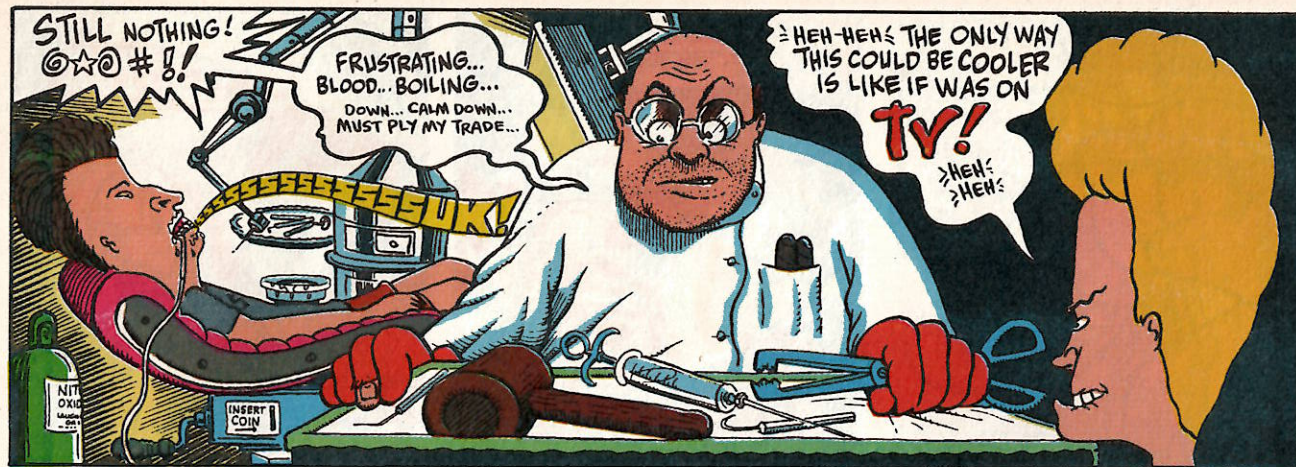

You get, no points for any questions you answered with (A)'s. Only 1 point for an answer (B). But a huge 2 points for any (C)'s you marked as an answer! So, just tot up you answers and consult the chart below, to learn just how experienced you really are.

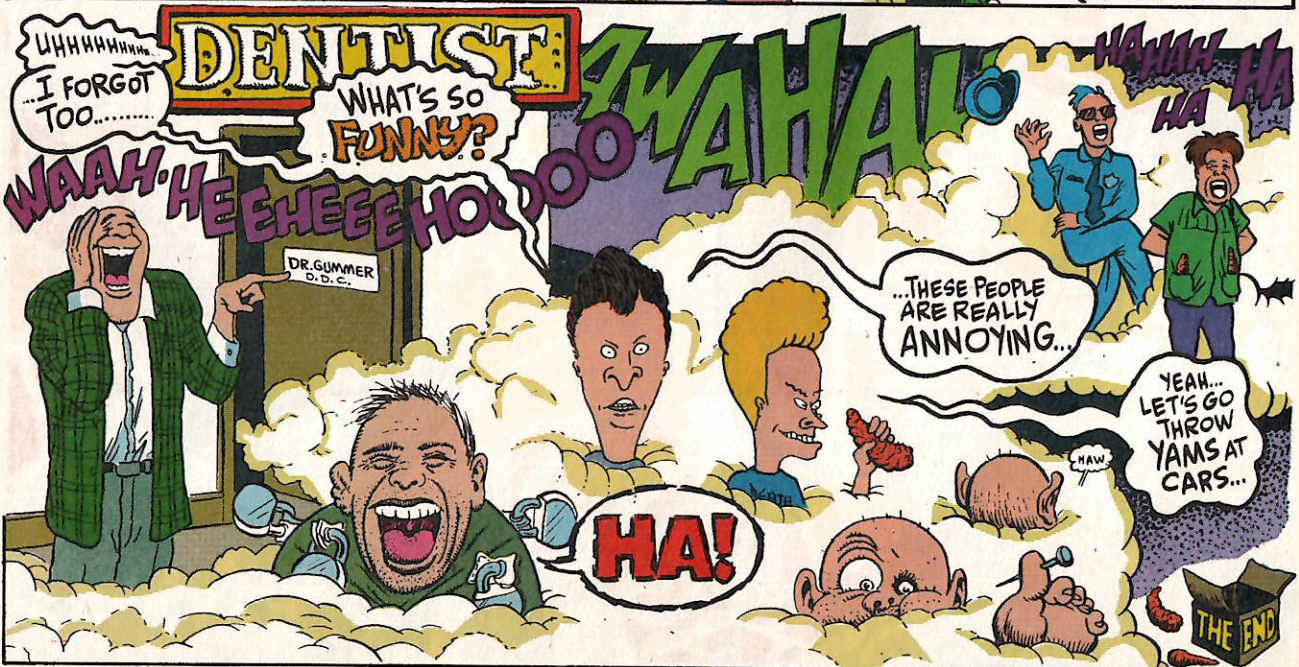

20 Points: Goodness gracious me! You must like be some sort of girl magnet! Tell us everything, please! Have you ever seen her like naked? I don't suppose you could send us pictures? How do you do it? And how do you find the time to fill out questionnaires like this when you must be loaded with girlfriends?

10-19 Points: Hmm, not too shabby, I suppose. I mean it's better than 9 points or lower, isn't it? Clearly though you are slightly uncomfortable with members of the opposite gender. Try regarding them as mere sex objects, rather than equals and you're bound to go far.

0-9 Points: Well, well, well if it isn't Mr Wet, Limp Lettuce Man. If this isn't the most pathetic score I've ever seen, then I'm not a big hunky macho biker who's had more chicks than you've had hot dinners. Why if you were here right now, I'd make you eat guiche! If fact, come to think of it, you're probably so pathetic that this will be the only "score" you ever make!

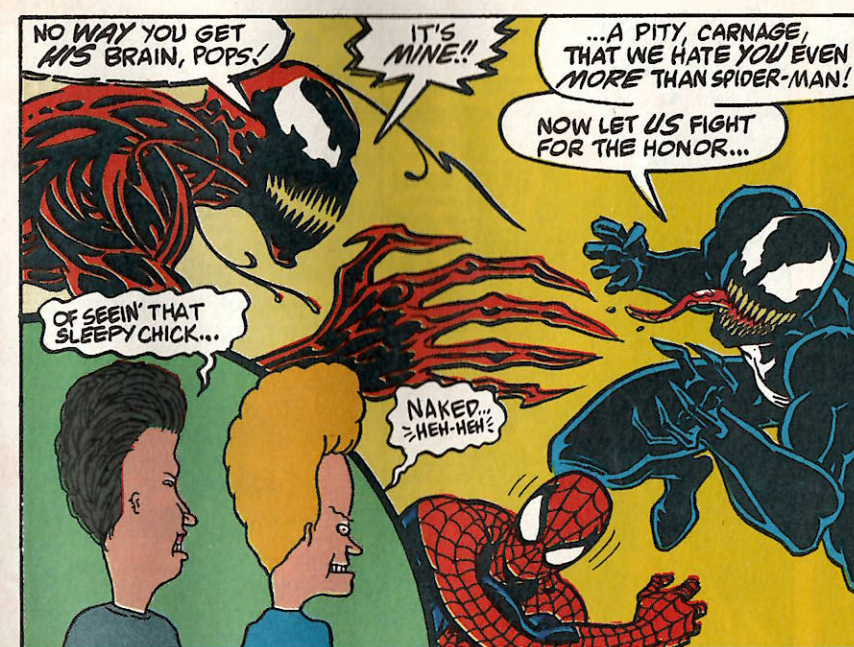

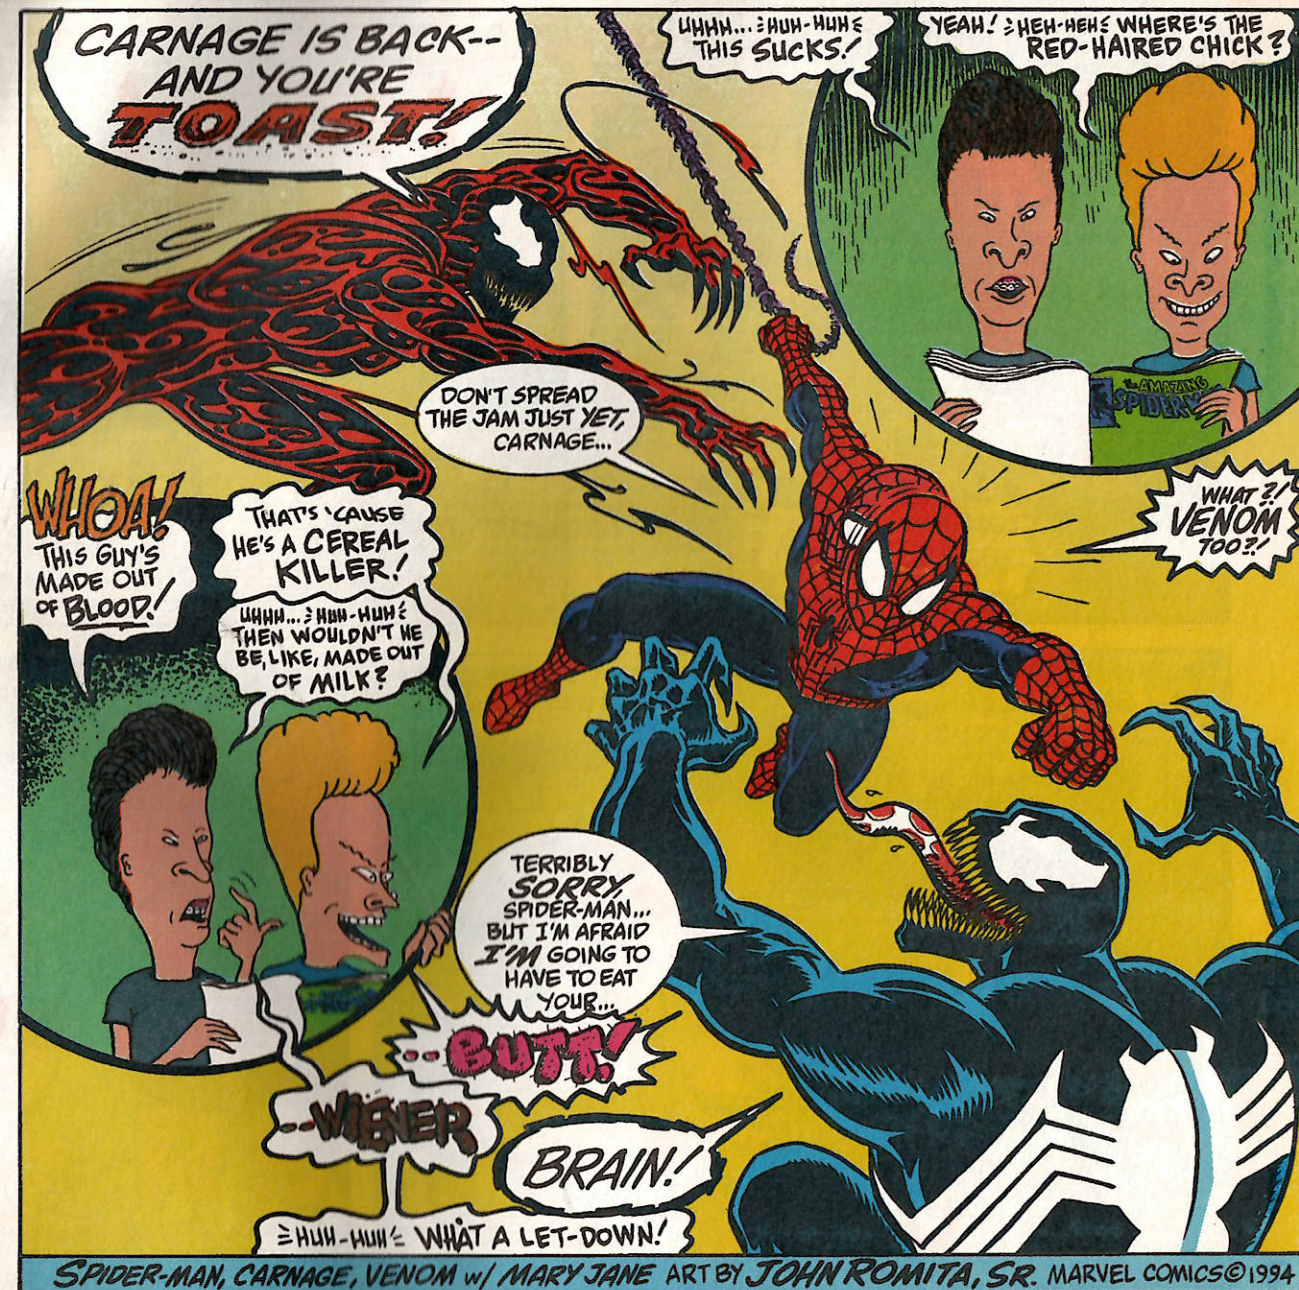

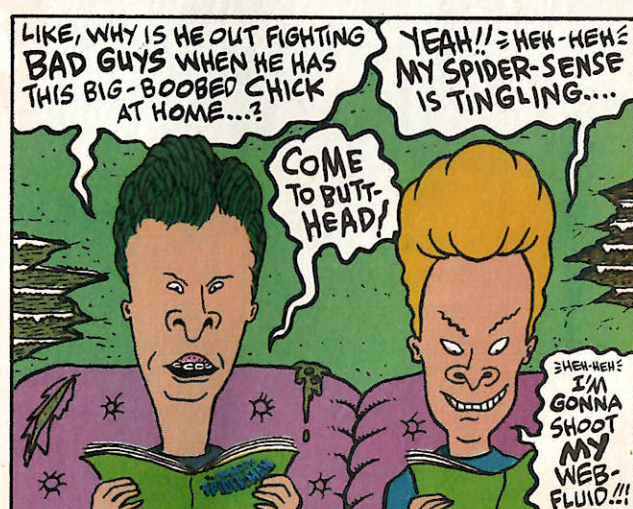

Send all your letters and cards, an' any other nonsense to "Mail Sac", c/o Beavis and Butt-head, Marvel UK, Arundel House, 13/15 Arundel St, London WC2R 3DX. Any letters to be considered for publication must include your full name and address and butt sizes. Of course (polaroids are always welcome.) Letters may be edited for reasons of space and 'cause we feel like it.
